AMENDMENT - AFTER FINAL

Responsive to the final Office action dated August 27, 2002, please amend the above-identified application as follows:

In the Specification:

Please replace the paragraph beginning on page 9, line 13, with the following replacement paragraph:

In Fig. 2, personalized toy 10 is shown placed in a package 34. As described above, the personalized toy may be configured in accordance with a customer's specification. For example, the personalized toy may be preordered such that the toy includes a customer-selected configuration prior to being placed in the package. Preferably, package 34 includes one or more apertures 36. For example, one such aperture 36a is provided so that personalized toy 10 may be seen from the exterior of package 34. A second aperture 36b may be provided so that printed material 38 may be placed within aperture 36b to create the appearance of a personalized package.
